

WH Wine Export Services & Training

Willem Hendricks, owner and trainer of WH Wine Export Services & Training, has been working in the wine export industry for more than 22 years. He draws his experience from the time spent working at The Department of Agriculture and currently as export manager of a wine farm.

His hands-on experience in the wine logistics area has made him a specialist in his vocation.

Willem now offers his expertise in the form of training to Wine Online users.

Training offered

- **The Essentials of Wine Online Exports** - A practical guide to export processes and documentation

The course covers the following

- Introduction to the wine exports
- How to do a Sample Submission
- How to apply for an Export Certificate
- How to do a Notification of Loading
- How to do a Declaration of Loading
- How to do Exemption Certificates

Training is offered on Saturdays or Fridays from 8:00 to 13:30

Venue to be confirmed

Only 12 seats available per training session

- **One on One** – A personalised training session held at your desk at your company. Training is currently offered after hours at your company.
- **The Essentials of Wine Online Imports** - A practical guide to the import certification process.

The course covers the following

- Import certificate application process flow
- Import certificate application process
- Pending applications view
- Submitting additional product information
- Application Status view
- Cancellation of Import certificates and reprints requests

Training is offered on demands - Only 10 seats available per training session.
