### THE NEXT PHASE FOR THE ALLOCATION OF EXPORT PERMITS UNDER THE TDCA BETWEEN THE EU AND THE REPUBLIC OF SOUTH AFRICA FOR THE YEAR 2015

Dear All

Please note that the next round of re-allocations will be scheduled for August 2015 with the implementation of the reallocation quota effective from 15 September 2015. Exporters who have not used 75% of their allocation will run the risk of their allocations being reduced.

Clients will be given the opportunity to motivate to retain their quota on Wine Online for a period of a month from 01-31 August 2015. Clients must send their proof of coming orders to Ms. Khumo Tjale at [KhumoB@daff.gov.za](mailto:KhumoB@daff.gov.za)

Yours faithfully.

## **EU WINE QUOTA RE-ALLOCATION SECOND ROUND 2015**

### **Dear Exporter,**

The Department of Agriculture will start the second round of re-allocations for 2015 on the 1st of August 2015, and the process will be completed by 15 September 2015.

Exporters who have not used their quota up to a level of 75% (export margin) must provide sound reasons why a reduction should not be implemented. Exporters who have used more than 75% of their quota will automatically be allocated additional volume and no action is required from them.

**Please ensure that all your exports with a EUR 1 certificate have been linked to your quota.**

The EU Quota Re-allocation Report on Wine Online will be used to facilitate the responses regarding the reduction or retaining of quotas. If no response is received by 31 August 2015 quotas will be reduced in proportion to the percentage below the export margin.

The following procedure has to be followed as from the 1st of August 2015 if an exporter wishes to motivate to keep the full balance or a portion of the quota:

1. The report can be found on Wine Online - Route:  
Documentation / Reports / EU Re-Allocation Period Report
2. Select the EU Re-allocation Report
3. Select the Product Group (Wine)
4. Click on Generate
5. Provide motivation on Wine Online and via Email to Khumo Badisa ([KhumoB@daff.gov.za](mailto:KhumoB@daff.gov.za))  
The motivation must include a copy of the order itself with all the necessary information i.e. the person who is ordering the shipment, their contact details, the litres that they are ordering, signatures or stamp, etc. Should the order not yet be confirmed a written motivation will be accepted but preference will be given to those that have a proof in terms of their orders.
6. Any enquiries on the quota reduction process can be addressed to Khumo Badisa by e-mail: [KhumoB@daff.gov.za](mailto:KhumoB@daff.gov.za) or telephone (012-319-8083).
7. If you do not have access to the report or need assistance on Wine Online, please contact the Export Office at (021-809-1602).

Please note that if the volume indicated under the EU Quota Used field on the report is not correct the EUR1 Certificate Report should be used to update the exports deducted from the EU Quota.
